

CheapIroningServices was founded in 2010. We are a young and ambitious team, pointed at full satisfaction of our list of clients. At the moment we are serving clients at South, South-East London, but we consider requests from all around London and the M25.

We all have years of experience in ironing and we'll do our best to meet your requirements and high standards. If you have any special requests - don't think twice - let us know so that we fulfil our services to your satisfaction.

If you've got a business that needs our help, please contact us - we'll be happy to help.

We aim to provide quality services to domestic and business customers and we count on you spreading the word for us. Because there is no better advert than that.
